A TRADITION OF EXCELLENCE

The School of Music offers a wide variety of opportunities for young musicians, pre-professionals and music educators. Hundreds of musicians from throughout Ohio and beyond visit the school each year to experience immersion, exploration and performance, under the leadership of School of Music faculty, students, and guest artists. Events such as the High School Honor Band Weekend, Middle School Percussion Ensemble Festival, Flute Festival, Jazz Specialty Days, Choir Invitationals, and numerous summer camps are offered in an inviting atmosphere on the Ohio State main campus. Concert attendance opportunities, specifically for school groups, include The Annual Music Celebration Youth Concert and the Ohio State Marching Band Youth Concert. School of Music students and faculty also visit area music programs to provide support and outreach.
