Somali Language and Culture Minor

The Somali Minor provides students the opportunity to study language, history, literature and culture of Somali speaking peoples of Eastern Africa.

The minor in Somali consists of 15 hours of prerequisite courses and 15 hours of course work beyond the pre-requisites. The purpose of the pre-requisites is to give students a basis in the language and culture upon which to build an understanding of the Somali speaking people.

The selection of courses by students needs to be made with the counsel of an academic advisor. Students should be aware that not all of the courses that are available for the Somali minor are offered every semester or year; thus early and careful planning is advised.
