The minor in farm management provides students with an understanding of business management concepts important for effective farm-level decision making and an opportunity to develop an array of skills needed to manage production, finance, marketing, and human resources.

Students are responsible for planning their minor program to achieve 21-25 hours. No one-hour waiver of the 21 hour minimum will be granted unless an extremely compelling case is made. The distribution is listed below. If you follow the guidelines on this sheet in completing the minor, you should file the Minor Program Form with your college or school counselor. Any variation from the program described on this sheet needs the approval of the coordinating advisor.
