The history of art minor consists of five courses (25 credit hours) from the department's offerings, at least two of which must be at the 500 level or above. For the minor, not more than three courses at the 200 or 300 level may be used to complete the 25 required credit hours. In order to take courses at the 600 level, the student must have the stated history of art prerequisite, the permission of the instructor, or an appropriate course in another department (as approved by the history of art advisor).

One of the department faculty advisors will assist you in designing a minor program suited to your interests. Upon completion of the appropriately distributed 25 credit hours in the history of art, a faculty advisor will approve and sign the Minor Program Form. You may then file the Minor Program Form with your college or school counselor to receive a minor in History of Art at graduation.
