The minor in human nutrition consists of 24-29 credit hours and is designed to provide the student with an introduction to the area of human nutrition. The minor is composed of the following courses:

- Biochemistry 211—212, or 511, or Molecular and Cellular
  Biochemistry 311—312
- Evolution, Ecology, and Organismal Biology 232
- Human Nutrition 310, 313, 415, 506

After the academic program coordinator in the College of Education and Human Ecology has approved your Minor Program Form, you should file the form with your college or school counselor. For further information about the minor program, contact the college.

**Human Nutrition minor program guidelines**

The following guidelines govern this minor.

**Required for graduation**  No

**Credit hours required**  A minimum of 24-29

**Transfer credit hours allowed**  A maximum of 10

**Overlap with the GEC**  Permitted

**Overlap with the major**
- The minor must be in a different subject than the major.
- Courses specified on the major that are also a part of an established minor can be counted toward both the major and the minor when there are a minimum of 50 credit hours of courses toward the major that are not a part of the minor.

**Overlap between minors**  Each minor completed must contain 20 unique hours.

**100-level course**  For every five credit hours of 100-level course work on the minor, the minimum total required for the minor is increased by five.

**Grades required**
- Minimum C- for a course to be listed on the minor.
- Minimum 2.00 cumulative point-hour ratio required for the minor.
- Course work graded Pass/Non-Pass cannot count on the minor.

**Approval required**  The minor program description sheet indicates if the minor course work must be approved by:
- A college academic program coordinator

**Filing the minor program form**  The minor program form must be filed at least by the time the graduation application is submitted to a college or school counselor.

**Changing the minor**  Once the minor program is filed in the college office, any changes must be approved by:
- A college academic program coordinator
