Clinical Psychology & Individual Differences Minor

The 15-credit hour minor in Clinical and Individual Differences considers the intellectual, emotional, biological, psychological, social, and behavioral aspects of human functioning in an effort to reduce discomfort and promote adaptation and personal adjustment. This minor will provide students with knowledge about current perspectives and research in the areas of abnormal psychology, adjustment, testing, health psychology, and diversity issues.

Required Prerequisite:

Psychology 1100(H): Introduction to Psychology

Required Courses (complete both):

Psychology 2220(H): Data Analysis in Psychology (Prerequisites Psych 1100 and Stat 1450 or Math 1120 or Math 1130 or Math 1148 or Math 1149 or Math 1150, or Math 1151 or higher; or Math placement M or L)
Psychology 2300: Research Methods in Psychology
Psychology 2220 and Psychology 2300 should be taken as early as possible as they are prerequisites to all 4000 & 5000-level psychology courses.

Elective Courses (choose three):

Psychology 2367.02: Abnormal Psychology Analysis
Psychology 3331(H): Abnormal Psychology
Psychology 3335: Psychology of Adjustment
Psychology 3530: Theories of Personality
Psychology 4320: Psychological Science of Addiction
Psychology 4511: Psychological Testing
Psychology 4531: Health Psychology
Psychology 4532: Clinical Psychological Science
Psychology 4540: Counseling Psychology
Psychology 4543: Psychology of Gender
Psychology 4545: Cross-Cultural Psychology

Elective Courses (Continued):

Psychology 4597.01: Contemporary World: Aging, Health, and Psychological Functioning in the Modern World
Psychology 5089: Cognitive Aging, Neurodegeneration, & Neuroplasticity
Psychology 5250: Mood Disorders: Classification, Etiology, & Treatment
Psychology 5270: Personality Disorders: Classification, Etiology, & Treatment
Psychology 5613H: Biological Psychiatry
Psychology 5681: Development and Psychopathology
Psychology 5684: Psychology of Delinquency

Clinical Psychology & Individual Differences Minor Guidelines

Credit hours required:
A minimum of 15 credit hours. Courses at the 1000 level shall not be counted in the minor toward this minimum. At least 6 credit hours must be at the 3000 level or above.

Transfer and EM Credit Hours Allowed:
A student is permitted to count no more than 6 total hours of transfer credit and/or credit by examination.

Overlap with the GE:
A student is permitted to overlap no more than 6 credit hours between the GE and the minor.

Overlap with the Major and Additional Minor(s):
• The minor must be in a different subject than the major.
• The minor must contain a minimum of 12 hours distinct from the major and/or additional minor(s).

Grades Required:
• Minimum C- for a course to be counted on the minor.
• Minimum 2.00 cumulative GPA for all minor course work.
• Course work graded Pass/Non-Pass cannot count on the minor.
• No more than 3 credit hours of coursework graded Satisfactory/Unsatisfactory may count toward the minor.

X193 Credits: No more than 3 credit hours.

Minor Approval:
Department approval is not required as long as student completes courses exactly as indicated on minor program description. Course substitutions are not permitted. Minor may be declared with student's assigned academic advisor.

Filing the Minor Program Form:
The Department does not require that a Minor Program Form be completed. The degree audit report (DAR) certifies the minor. If the minor is not complete on the DAR the
student must consult with a Department of Psychology advisor.
