Chinese Minor (CHINESE-MN)

Department of East Asian Languages and Literatures, 398 Hagerty Hall, 1775 College Rd., Columbus, OH 43210-1340;

The minor in Chinese consists of 15 credit hours of prerequisites and 14-18 hours of course work beyond the prerequisites. The purpose of the prerequisites is to give students a fundamental language and cultural basis upon which to build an understanding of China. The courses beyond the prerequisites are intended to provide substantial training in the Chinese language and further cultural understanding.

Selection of courses should be made with the advice of the undergraduate advisor of the Department of East Asian Languages and Literatures, Tommy Beyl. Note that not all of the courses that are available for the minor are offered every year so that early and careful planning is advised.

For further information about the minor program or to declare the minor, contact the undergraduate academic advisor Tommy Beyl, beyl.1@osu.edu.
