A minor in Agricultural Communication is designed to provide students with basic knowledge and skills in communication related to agricultural and environmental sciences. Courses in the minor will develop oral and written communication skills and advance a student’s use of electronic technologies to effectively communicate science-based information. This minor is designed for students interested in careers in technology transfer, marketing, government relations, public relations, sales, advertising and non-profit organizations.

The minor is open to students across the university interested in learning to effectively communicate science-based information to a variety of audiences.

A minor in Agricultural Communication consists of a minimum of 15 hours of course work selected from the following:

**Required Courses (2 courses; 6 hours):**
AGRCOMM 2531 (3) and AGRCOMM 3130 (3) or COMM 2110 (3).

**Required Design Courses (choose 2 courses; 6 hours):**
AGRCOMM 2130 (3), 4130 (3), 5530 (3), 5535 (3)

**Elective (choose 1 course; 3 hours):**

*If not taken as part of 6 required credits of design coursework

This minor is not available to students majoring in Agricultural Communication, Agriscience Education, or Community Leadership.

At least six credits must be at the 3000 level or above.
