Any OSU students who are not majoring in Theatre but who wish to extend their knowledge of the Theatre may undertake a Theatre minor. Minor in Theatre, students are welcome and encouraged to audition and to participate in all aspects of our production season.

The Theatre minor consists of 15 units tailored to meet the needs and interests of the individual student. To get started on the Theatre minor, students should check with the Theatre Academic Advisor to find out about course offerings, frequency of offerings, and special enrollment conditions in Theatre courses. To complete the minor, students may choose from any of the Theatre offerings that are open, including practicum and production courses. Students may choose to specialize in one aspect of Theatre or take an array of different Theatre subjects. However, students still have to observe prerequisites.
