Landscape Construction Minor (LNDCONS-MN)

Dr. Michael Lichtensteiger, Coordinator, 614-292-9351,
Lichtensteiger.2@osu.edu, 216 Ag. Eng. Bldg.

Purpose: The Landscape Construction Minor is designed to provide students with a basic understanding of the principles and methods used in planning and managing the construction of modern landscapes and related facilities. These landscape construction activities are performed at private residences (in urban, suburban and rural settings), commercial properties, sport fields and golf courses, as well as parks and other recreational areas. The minor is intended for students interested in landscape development and management as represented by majors and specializations such as Landscape Architecture, Sustainable Plant Systems, Landscape Management and Design, and Turfgrass Science.

Requirements & Responsibilities: The Landscape Construction minor consists of 16 credit hours of which six hours must be at the 3000 level or above. The three required courses (10 credit hours) provide a basic foundation in construction management and the materials, methods and equipment used for constructing landscapes. The remaining six credit hours are selected based on student interests and career goals.

Required: 10 credit hours
