It is the mission of the Department of Art to inspire and enable people to lead creative and intellectually flexible lives. The Minor in Art provides students with the opportunity to integrate creative and artistic studio practice with other academic or research pursuits. We recognize that students selecting the Minor in Art are not necessarily pursuing careers as professional practicing artists; rather they may be seeking a program of study where the visual arts and creativity bring desirable skills.

The minor in Art requires the completion of 15 semester credit hours, which consists of Art 2000 – Encountering Contemporary Art (3 credit hours) and 12 elective hours from the courses listed below, with no more than 9 credit hours below 2500.

Prerequisites:

Some courses require specific prerequisites that may require specific skills, training, or advanced instruction. Students should seek instructor permission for entry into these.
