With Distinction Project Proposal:

If you are not applying for an ARTS Undergraduate Research Scholarship, please attach a 1,000 word (approximately four pages, double-spaced) proposal about your distinction project which addresses the following headings in the suggested order:

Abstract: The project abstract requested on the application is a brief description of the project (25 words or less).

Thesis Statement: This includes the purpose of the project, the problem in the field which you are addressing and any research questions that will help guide you in your process.

Methodology/Process: This includes how you are going to go about doing what you wish to do. Remember to include items from your budget here and discuss how they are important to your project.

Significance of the Project: Explain why the project is important, how it will extend the field, or brings forward new knowledge in the field.

Qualifications of Applicant as a Researcher: Provide a brief background of how you have prepared for this project and/or why you are qualified to conduct this activity.

Artist's Statement: Address your current artistic emphasis and overall orientation to the field.
