

## Career Accelerator Fund (CAF) Budget Guidelines

The following guidelines detail what can and cannot be included in your budget worksheet.

Please know that if you receive a CAF award you will need to submit receipts for the various expenses you incur during the internship. That documentation will need to be submitted after your internship concludes. You'll want to refer to these guidelines at the start of your internship so that you can plan ahead for organizing the receipts and other payment records to submit to Career Success.
