French Minor (FRENCH-MN)

Department of French and Italian, 200 Hagerty Hall 1775
College Road, Columbus, OH 43210-1229; 614-292-4938;

Beyond the prerequisite courses (1101, 1102, 1103, and 2101, classroom or individualized versions), the requirements for the French minor are French 3101 and three additional courses taught in French at the 3000 level or above, at least one of which must be at the 4000 level or above. Students who have at least a 3.3 overall GPA in their French courses may petition to have one 3000- to 5000- level course offered by the Department of French and Italian taught in English to count toward their minor. The minor thus consists of 12 credit hours beyond prerequisite courses, no more than half of which may be examination (EM) and/or transfer (K) credit.

While students may choose among a wide array of our courses beyond 3101 to complete their minor, below are some suggestions for course combinations for students with particular career or personal goals. For example, the culture/film sample curriculum may appeal especially to International Studies majors, whereas the literature sample may be a good choice for students who plan to specialize in literary studies in graduate school. The French for the professions sample allows students with an interest in business, government, or NGOs to develop a background in French society and professional practices. Students attracted to the cultures and literatures of French-speaking regions outside of France will want to follow the Francophone studies sample.

Students interested in a minor in French are asked to contact the Department's minor adviser, Dr. [Gloria Torrini-Roblin](#), to discuss their career and personal goals and study abroad. Students should then file the Minor form with the department's college advisor, Dr. Andy Spencer (spencer.6) (however, honors students should file the form with their Honors advisor). Students who would like to count toward their minor one FRIT course taught in English should petition with Dr. Spencer.

Students minoring in French are strongly encouraged to study abroad in one of our several French-speaking programs. Please visit the Office of international Affairs' website for detailed information on our programs. Course credits at the 3000-level or above earned in study abroad programs may be applied toward the minor.

In brief:

- Prerequisite courses for all options are French 1101, 1102, 1103, and 2101 (classroom or individualized).
- 3101 is required for all minors and is counted toward the 12 credit hours.
- One course taught in English in FRIT at the 3000-5000 level may be counted toward the minor by petition.
